STUDENT LEAD TEAM

Senior Lead Coordinators

1

2

Junior Lead Coordinators

3

4

5

1. Abby Collins

Senior Lead Coordinator
aecollin@uvm.edu

"As I approach graduation, I hope to work in business strategy and product management. I have a passion to use my background in Business Analytics and Mathematics to work in a company where creativity and numbers collide."

2. Douglas Hirschhorn

Senior Lead Coordinator
dhirschh@uvm.edu

"Upon graduation, I aspire to join a financial services firm in an investment research oriented position. I hope leverage my passion for investments, education, and internship experience, to helping clients make beneficial investment decisions."

3. Cole Green

Junior Lead Coordinator
clgreen@uvm.edu

"I have a passion for entrepreneurial family firms with aspirations to pursue a career in real estate. UVM's belief in the value of experiential education and sustainable innovation has honed my appetite for more rewarding work in future endeavours."

4. Nolan Houston

Junior Lead Coordinator
nbhousto@uvm.edu

"Following graduation from the Grossman School of Business I am looking to pursue a career in Public Accounting. I hope that I can apply my accounting concentration to assist family business's with their tax or audit needs."

5. Olivia Machanic

Junior Lead Coordinator
Olivia.Machanic@uvm.edu

"My goals for the future are not dependent on a specific career, they focus on my growth and overall impact. I see myself thriving within a business that is environmentally-conscious, innovative, and communication driven. I want to and foster change."

AMBASSADORS

Delaney Bryant

Ambassador
dbryant@uvm.edu

"I am a junior in the GSB with a concentration in Accounting. After completing my undergraduate degree, I hope to obtain a Masters in International Management and gain the ability to work across cultures in our world's increasingly global economy."

Lindy Burch-Durkee

Ambassador
lburchdu@uvm.edu

"I aspire to work for an organization where my accounting degree and my passion for creativity will be united. I hope that my career will have a positive, lasting impact on society while inspiring the entrepreneurial pursuits of others."

Hank Caswell

Ambassador
hcaswel@uvm.edu

"My long term career goal is to apply my passion for athletics and finance and work for a sustainable company that is dedicated to improving their business processes through the lens of sustainability. I hope my career will be meaningful/impactful."

Michael Chan

Ambassador
mjchan@uvm.edu

"I aspire to work for a company that values its employees and the environment as much as its profits. Prioritizing sustainability, I hope my career brings change to places where minoritized communities face barriers to personal & professional growth."

Robert Demaree

Ambassador
rdemaree@uvm.edu

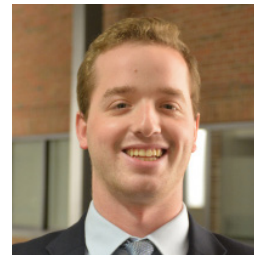

"I am hoping to apply my background in both Business and Political Science to the international context. Specifically, I hope to hold a position to facilitate relations between the United States and Germany through an IGO such as the EU or UN."

Trang Do

Ambassador
trangd1119@gmail.com

"My ultimate goal is to pursue a career working as a behavioral economist to analyze, predict, and cater to consumer needs- providing better quality product and experience to all stakeholders involved."

Jack Fontaine

Ambassador
jackwfontaine@comcast.net

"Working towards a Finance Concentration and a Sustainability Theme. I am hoping to put these aspects of my degree to use, ideally in ESG investing in the long-term. For the near future, I hope to work as an analyst in equities or fixed income."

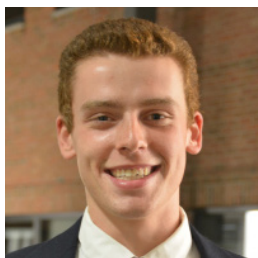

Cameron Giroux

Ambassador

Cameron.Giroux@uvm.edu

"Upon graduation, I hope to continue in the agricultural business and will focus on bringing sustainable practices and ideologies to an industry resistant to change. Further, I hope to implement these practices in my family's agricultural business."

EJ Hazelton

Ambassador

ehazelt1@uvm.edu

"I aim to apply my love of entrepreneurship, marketing, sustainability, and design to create innovative firms within a corporate philosophy that embraces a triple bottom line, with a mission to better the lives of people while being a positive ward of the environment."

Joshua Hetrick

Ambassador

jhetrick@uvm.edu

"My career success will be determined by my ability to constantly trend in a positive direction as an employee and a person. I hope to create or maintain a company culture wherever I work that allows everyone to feel welcome and valued."

Misheel Khossaikhan

Ambassador

misheel.khossaikhan@gmail.com

"I'm passionate about helping others and hope to create better social and environmental impact throughout my career. Therefore, I am a founder of an English program in my home country, Mongolia, where I consulted students for studying abroad."

Kyle LaPlante

Ambassador

kwlaplan@uvm.edu

"I hope to work for an organization that focuses on creating a better world for future generations. I want to make a impact on the world utilizing my degree to focus on environmental sustainability while also creating value in a sustainable business."

Kathryn Maher

Ambassador

kcmaher@uvm.edu

"Using my degree in Analytics, my goal is to work for an organization that effectively innovates its business model using data. I hope to use my background in process improvement to help share information fluidly and arrive at valuable insights."

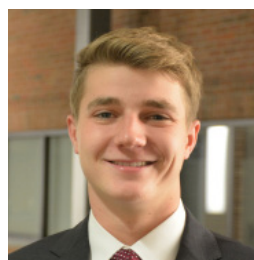

Gerald McGuire

Ambassador

gmcguire@uvm.edu

"I recently accepted a position into a corporate finance rotational program for Schneider Electric. I hope that in this position I will be able to give back to the organization using the knowledge I have gained in the pursuit of my degree in finance."

Jake Meunier

Ambassador

jake.meunier34@gmail.com

"I am still exploring career paths, but I aspire to find something that allows me to be in control of my own future. I want a job that challenges me every day, where I will constantly be faced with changes and opportunities."

Sara Music

Ambassador
sara.music@uvm.edu
"My long term career goal is to work at a company that will create meaningful impact for society while giving me the opportunity to follow my passion and interest for the finance and marketing aspect of business"

Jacob Rucker

Ambassador
jrucker@uvm.edu
"I have aspirations of owning my own investing firm, but want to give more than I make. I hope to major in finance and work closely with ambitious and kind individuals who are just as passionate for business as they are for respecting people."

Jared Percoco

Ambassador
jpercoco@uvm.edu
"I am from Long Island, New York and my career goal after I graduate is to do market research for a large corporation in a major city. I hope to apply my accounting and finance degree through equity or fixed-income research. "

Griffin Shaw

Ambassador
Griffin.Shaw@uvm.edu
"I want to use my accounting degree to open doors for people to create a more sustainable future for themselves and to work for a company that has the same ideals. I hope to provide practical solutions to problems while keeping sustainability in mind."

Jonathan Peters

Ambassador
jpeter16@uvm.edu
"After graduation I hope to pursue a career in equity research or corporate finance. I believe I can leverage my quantitative skillset to help expand digital capabilities and ultimately create a more efficient workspace."

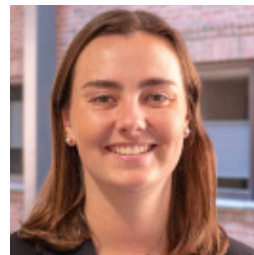

Matthew Spargo

Ambassador
mattspargo56@gmail.com
"My goals relating to my future career is to obtain a job right out of college relating to finance with a lot of room for advancement and further education."

Hugo Rapp

Ambassador
Hugo.Rapp@uvm.edu
"As a finance major, my long term career goal is to work in a place that strives to combine the mitigation social and environmental issues with value creation. I hope to apply my degree in an analytical framework to create value for stakeholders. "

Madeline Stoops

Ambassador
mstoops@uvm.edu
"In the future, I hope to be working in the sporty industry which is why I'm pursuing a minor in sports management. I want to have a career in a fast-paced environment where I can also utilize my business analytics concentration and global theme."

Cameron Weston

Ambassador

ckweston@uvm.edu

"I am an ambitious and creative engineer with a strong passion for computer science, business and leadership. I aspire to pursue a career as a software engineer out of college than pursue an MBA."

Benjamin Wolf

Ambassador

benjaminsoggs@gmail.com

"I hope to work in the field of sustainable business, with a focus on utilities. I strive to eventually provide renewable energy solutions to energy impoverished regions of the world and to create eco-friendly electrical grids in rural America."

FACILITATORS

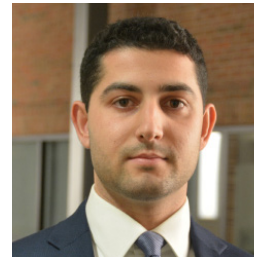

Conor Robbins

Facilitator

conor.robbyns.nj@gmail.com

"I am extremely interested in computer science as well as financial markets. I hope to pursue a career in the future integrating these two. I also hope to continue my education past my undergraduate degree with analytics."

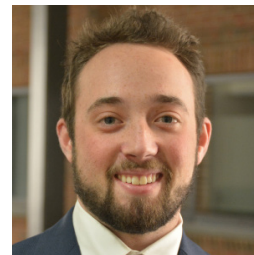

Brandon Salimi

Facilitator

bsalimi@uvm.edu

"Brandon is a versatile emerging professional interested in pursuing an MD/MBA upon graduation with a strong passion for population healthcare and implementing methods and strategies to improve patient centered care and clinical outcomes."

Ryan Waystack

Facilitator

rwaystac@uvm.edu

"I am a Junior at the Grossman School of Business, concentrating in Finance and Business Analytics while minoring in Cybersecurity. I aspire to work in Boston applying my Finance and Business Analytics degree. I also enjoy spending time outdoors."

ROOM COORDINATORS

Christian Albright

Room Coordinator
calbrigh@uvm.edu

"I aspire to work for a company that aligns with my interests in construction and real estate. I hope to make a positive impact on my community by creating value for shareholders and the environment by maximizing efficiencies in the industry."

Abigail Bittner

Room Coordinator
Abigail.Bittner@uvm.edu

"I wish to apply my marketing degree through a global lens to capture the attention of a broad consumer base. My goal is to work for a diverse organization dedicated to social change, allowing for the synthesis of innovative ideas."

Elise Cracco

Room Coordinator
elisewcracco@gmail.com

"I hope to be employed in a creative environment that promotes hard work and values dedication. I am drawn to numbers and how we perceive them which provides the perfect foundation for a degree in accounting which I hope to pursue."

Julia Finnegan

Room Coordinator
jfinneg3@uvm.edu

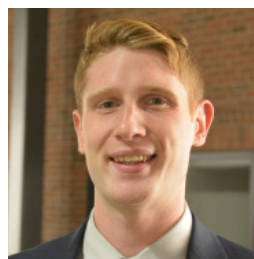

"I am an aspiring business professional studying at the University of Vermont. I am interested in business law, marketing and risk management. I hope to apply my political science minor in my future career in addition to my business degree."

Maria Kissel

Room Coordinator
makissel@uvm.edu

"I am excited to apply Grossman's unique curriculum in a leadership role. I believe that businesses have the ability to transform communities and the environment for the better - as long as the right minds are in the right leadership positions"

Jason Ross

Room Coordinator
jason.ross@uvm.edu

"Individuals make improvements. Teams create movements. As an individual, my skills consist of financial analysis and client service. As a teammate, my talent is creating a team first mentality that makes everyone committed to our vision."
