A photograph of a modern university courtyard. In the foreground, a man with a beard, wearing a blue vest over a grey sweater, sits on a teal-colored bench, looking down at a piece of paper and holding a red pen. The courtyard has a light-colored stone floor with large, rectangular glass panels set into it. In the background, several other students are visible, some sitting at tables and others walking. The building has a mix of brick and light-colored wood paneling. Large windows and glass doors are visible on the left side. Three long, vertical, cylindrical light fixtures hang from the ceiling. The overall atmosphere is bright and modern.
