

PRE-ADVISING APPOINTMENT WORKSHEET

Have this worksheet completed and readily available to share with your advisor during your appointment!

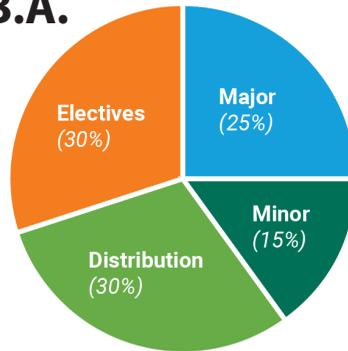

Note here any academic interests and/or classes that you are interested in taking:

In general, each semester you will be fulfilling requirements from all different categories (including electives!). If you are undeclared, you will use next semester to explore different interests and options.

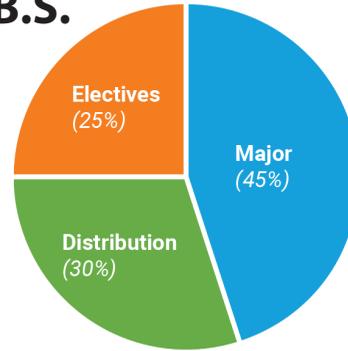

These pie charts show you a helpful breakdown of your required 120 credits and how they will be broken down each semester over 4 years.
